We would like to invite you to attend the “20th International Symposium on Signal Transduction at the Blood-Brain Barriers” which will be held on September 13–15, 2017 in Kraków, Poland.

The conference will focus on the latest development in the blood-brain barrier and other CNS barriers. The planned conference is the continuation of highly successful meetings initiated in 1997 in Potsdam, Germany.

The abstract submission and registration will open in March, 2017.
